DOCKETED

FINAL STATUS CONFERENCE
JOINT MEMORANDUM PURSUANT TO LOCAL RULE 116.5(C)

The United States of America, by and through Michael J. Sullivan, United States Attorney for the District of Massachusetts, and William M. Welch II, Assistant United States Attorney, hereby files this joint memorandum pursuant to Local Rule 116.5(C) and the Magistrate Judge's Scheduling Order as follows:

1. There are no outstanding discovery issues not yet presented or resolved by the court except Defendant Peter Davis' Motion for a Bill of Particulars and Motion to Compel Discovery. No other defendant has filed a motion for discovery.

2. The parties do not anticipate providing additional discovery as a result of the future receipt of information.

3. No defendant intends to raise a defense of insanity or public authority.

4. The Government has not requested notice of alibi. However, no defendant intends to raise a defense of alibi.

5. The defendants intend to file substantive motions that will require rulings by the District Court.

6. A schedule should be set for the filing of substantive motions, responses to those motions, and arguments on the motions if deemed necessary by the District Court.

7. The parties have not engaged in discussions about the early resolution of the case without a trial.

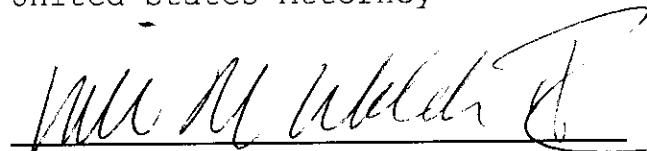

8. Given this case's designation as a complex case, no time will have run on the Speedy Trial Clock as of August 25th, 2005.

9. The parties believe at this point that a trial should be anticipated. At this time, the Government would estimate a trial of four months.

Filed this 24th day of August, 2005.

Respectfully submitted,

MICHAEL J. SULLIVAN
United States Attorney
